

Easy Things to do to Redefeat Trump

1. Contribute to Redefeat Trump to register new voters.
2. Contribute to the Democratic Party and the Harris campaign.
3. The DNC's Take Action section is great. Sign up for a Call Crew or for the Reach app to find people you know.
4. Democrats.org also lists state party sites so you can volunteer with your state, county, town, and city party organizations.
5. Google "Trump's Lies and Lunacies," print it and hand it to anyone who has not yet made up their minds.
6. Do not assume everyone you know is registered. Send an e-mail to 50 friends to remind them to register, with a link to the form to print out or do online.
7. Express your views with an original bumper sticker.
8. Write a letter to the editor of your local paper.
9. Set up a voter registration table outside the mall, your church, sporting events and wherever people gather. Bring stamps so the forms can go right into the mail.
10. Post angry missives filled with F-bombs and aggressively confront Trump supporters wherever you find them. This will do nothing at all to win the election so consider it more therapy than anything else.
